

Nirvana Variable Speed Oil-Free Rotary Screw Air Compressors 55-75 kW

Nirvana oil-free air compressors, with a matching variable speed inverter and hybrid permanent magnet (HPM[®]) motor, provide unparalleled energy efficiency at all speeds along with superb reliability. They deliver ISO 8573-1:2010 Class 0 certified 100% oil-free air for the most critical applications. There are no motor bearings, pulleys, belts, couplings or motor shaft seals to wear out, leak or need replacing. Nirvana will lower your operating costs with its dynamic efficiency -- a truly transcendent technology!
